Trustee Carlson asked for the closed session to discuss the roll of the Township, the Supervisor and the Board in regards to Labor negotiations that the Township Assessor's office is involved with at the present time. Even though the Township, the Supervisor and the Board have no control over the Labor situation Supervisor Murphy stated his concern is with the budget and how the township will be able to afford the demands that could be made by the Labor Board. Trustee Turner pointed out that the only control the Township Board has is over the Assessor's total budget, how the Assessor's office spends that money is totally up to the Assessor.

A motion was made by Trustee Carlson to come out of closed session at 5:49 pm and 2nd by Trustee Robertson and passed with five ayes no nays on a voice vote.
