For Driveway/Culvert/Curb and Gutter
Inspections in the Belvidere Township Road District

WHEREAS, a driveway/culvert/curb and gutter permit is needed in Boone County before a building permit can be issued by the Boone County Building Department; and

WHEREAS, said permit requires the Highway Commissioner, or his or her designee, to make a field inspection to determine whether or not a culvert is required for a driveway and, if a culvert is required, the size and style; and

WHEREAS, in other instances, said permit requires the Highway Commissioner, or his or her designee, to make a field inspection to determine where a driveway may be cut into an existing or proposed curb and gutter; and

WHEREAS, in addition to the field inspection, the Highway Commissioner, or his or her designee, is required in some instances to make an inspection of the driveway and/or culvert after installation; and

WHEREAS, it has been determined that it is in the best interest of the Road District that a permit fee should be required to cover the cost of such inspections.
